Our Face Inks eyebrow pigments heal beautifully. We have a variety of colors for every skin tone that have been streamlined for simplicity, allowing you to achieve any shade with the least amount of color mixing. Each pigment shade has been designed and tested by permanent cosmetic professionals, who collectively have more than 40 years of color knowledge and experience.

Face Inks Pigments are manufactured using the highest quality colorants available in the industry, resulting in excellent color retention and superior results. Below are some of our most popular brow colors. Visit our website for our complete list of colors.

Moccasin: warm base; Light warm brown with both gold and red tones. Can be used straight on Fitzpatrick 1-2

Hershey Kiss: neutral base; A taupe color with some cool gold tones or when warmed, a mid-range golden brown.

Chocolate Mousse: neutral base. Medium, neutral brown. Warm it up with 1 to 3 drops of Butterscotch. Lighten with Hershey Kiss.

Sandy Blonde: neutral, fair blondes fair complexions, warm with Butternut.

Sandalwood: great for warm brunettes, redheads and strawberry blondes; warm with Butterscotch.

Coffee Bean: deep brown; warm with Butterscotch, add Henna or cocoa if more auburn tones are desired.

Bamboo Blonde: light taupe blonde, medium blonde, warm or lighten with Butternut.
