

## **Beau Institute Apprentices Program for the State of NJ**

Beau Institute is an approved Training Center for the State of New Jersey, approved for the New Jersey Permanent Make up Apprentices Program, and is an official Testing Center for the American Academy OF Micropigmentation for the Board Certification Exam. **We are also the only SPCP approved trainer in the state of New Jersey.**

After you have passed the approved 60 hour course for Permanent Cosmetics in the State of New Jersey, you **MUST** perform an additional 9 procedures under the supervision of an Approved State Trainer in order to work in this State. The SPCP program guidelines require 100 hours and these are the guidelines we follow.

When you have completed your 15 Apprentices procedures (6 from your training class, and 9 additional apprentices procedures), you must then take your Board Certification Test. Review books are available before the test. We offer the American Academy of Micropigmentation Board Certification Exam at our Training Center.

You will then be an approved Permanent Cosmetics Practitioner.

Our training center is equipped to help you with your the procedures required to meet your 15 required procedures.
