

Face Inks Pigment of the Month:

NEW Chocolate Fudge, Purple Neutralizer & Areola 6A

Only \$25.00 per bottle,
regularly \$30.00. Sale ends November 30, 2016.

NEW!!!! Face Inks Chocolate Fudge

This new color is similar to Chocolate Mousse (a medium brunette) but with more of a neutral, taupe undertone. I have mixed this custom combination for years using 3 Face Inks colors and loved it. If too light, add Truffle or Coffee Bean. If too dark, add Milk Chocolate. Use Butterscotch, Henna, Cocoa or Cherry Cola to add warmth. Great color for Microblading.

NEW!!!! Face Inks Purple Neutralizer

Now in one bottle you can correct purple residuals in eyebrows. Our NEW Purple Neutralizer can be used straight or added to a color (such as Milk Chocolate) to both correct and prevent the return of purple or mauve brows.

NEW!!!! Face Inks Areola 6A

This areola color is fantastic! Place on the skin and allow it to fully dry. You will notice it dries with more pink and brown tones making it deeper and cooler than 6 for more depth of color. 6A can be used straight for a beautiful areola color or mixed with other shades.
